这款巧克力是作为给孩子的礼物购买的，非常能体现丹麦特色。很喜欢。如果是去欧洲旅游忘带礼物，也可以买来送人哦。味道很北欧！作为书的样子，给人错觉，打开却是巧克力，让孩子知道，书中藏着甜，所以才选来送给孩子的！赞一下！给孩子作为生日礼物或者圣诞礼物都是很特别的，肯定不会买重样的。从下单到收到货只有10天左右的样子，很方便。包装特别结实，我拆了半天，里面的减震很好，巧克力都是完整的，很欣慰！

Customer Review

I bought this chocolate as a gift to my children. It reflects the characteristics of Denmark. I like it a lot. If you travel to Europe but forget to buy or bring back souvenirs, you can also buy this product as a gift.

It tastes very Nordic! It looks like a book, but once you open it, there is chocolate. It can let children know that "there is sweetness hiding in books," and that's why I bought this to my children. I will give a "like"! It is very special as birthday gift or Christmas gift for kids. Surely it is unique.

It took only about 10 days from ordering to receiving. It's very convenient. It was very well and firmly packed, and it took me a while to unpack. It was well protected, so all the chocolate arrived intact. I am very glad!
